The current Haynes Manual for the Harley-Davidson Sportster covers recently produced models from 2013, but goes back all the way to 1970! For 43 years, there is enough in common that we did not feel the need to create a whole new book. However, in 2014 Harley gave the bike a substantial update, changing how it was wired, how the fuel injection worked, the design on the brakes, and a whole new ...

I have a 2005 Jeep Liberty. My car has been making the creaking noise in the front half of my car for a few months. I can only hear it from the inside of the car not with the window down or anything. Some days I can't hear it at all and all seems ok some days it's worse and the creaking noise happens with every little bump or turn of the ...
