If Conditionals Tests 4 - GrammarBank

Second conditional if-clauses talk about an unlikely or imaginary event and its result. We imagine that the present is different to how it really is. For this reason, it is also known as the unreal conditional. Second conditional if-clauses contain the past tense and would. Learn all about the second conditional with Lingolia, then test yourself in the free exercises.

Second Conditional If-Clauses in English Grammar

Indicative mood, in English, refers to finite verb forms that are not marked as subjunctive and are not imperatives or conditionals. They are the verbs typically found in the main clauses of declarative sentences and questions formed from them, as well as in most dependent clauses (except for those that use the subjunctive). The information that a form is indicative is often omitted when ...

Uses of English verb forms - Wikipedia

Conditionals - Providing that / Provided that How to use Providing that / Provided that The conjunctions Provided that and providing that can interchangeably be used to mean "if - on condition that" This is another way to express condition and result situations.
