Hi I'm seeking Welcome to Mudwater High 1 and 2, I heard about the watermarks issues and how that are a problem, there are some fine removal watermarks out and free, the trick is how to identify those on a fansadox number. As far as I know you have to seek for any kind of number in each page illustration, they can be posted as a license plate on a car, a number on a computer screen, etc,etc, etc.

Unfortunately, there is no English version. I have many of his works, but all of them are in Chinese except those he published on dofantasy [see the spoiler]. I guess the author is from mainland China or Taiwan. In addition, the administrator also said that it was not allowed to upload non-English comics, so there's nothing I can do about it.

attn: Dofantasy spies. I just tried to purchase several comics but your system would not allow me to. It apparently has me flagged even though I purchased comics five at a time in the past and have never once shared any. But because you make it damn near impossible to actually pay you guys for something, i am now sharing.

Cool down dude. This ain't a church here, DoFantasy are not writing the follow-up on the quran or anything even remotely like that. They ain't gaining crap by shitposting, just give'em one hearty laugh for serious attempts (I think I counted TWO so far... go figure)--- and why the hell even care? Srsly, feels like 4chan or something.
