Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.

Teaching Tolerance | Diversity, Equity And Justice

No, that's not natural. Kooyeen is correct. If a native speaker is talking about just one parent, they will normally refer to either mother/mom or father/dad. Also keep in mind that saying my parents' house sounds exactly the same as my parent's house. As a rule, native speakers will understand that you are talking about a house belonging to ...

Parents' Vs. Parent's?

Family as God designed it is the building block of society — from it flows life, and the imparting of faith and values. Sexuality Marriage, God's design for uniting male and female, serves as the ideal context for romantic, sexual love and for creating new life.
